

## **Sail and E-Bike Tour Frisian coast and cities (Post-Tour)**

The province of Friesland/Fryslân is known for its abundance of waterways and lakes, has a great cycling infrastructure and various historical cities and villages. An ideal area to explore by boat and bike and for you a great opportunity to experience what a boat and bike tour exactly means. Guided cycling tours, based on the cycling network system and support by a free bike navigation app.

This tour starts Tue. after lunch from Groningen with a bus transfer to Stavoren, where you will board your sailing ship on Tue. afternoon, followed by a micro e-bike ride around Stavoren. Dinner and night on board.

After a morning sailing tour (no experience needed) on the IJsselmeer northward, visit the Wadden Centre and/or Makkum (lunch break). In the afternoon shorter and longer (15-30 km) guided cycling tours to Harlingen (night).

Thu. after breakfast 7 km cycling to Franeker (or sail by ship) to visit the historical UNESCO World Heritage Eise Eisinga Planetarium (1781) for a guided tour. Afternoon cycling tours (30-40 km) from Franeker to Leeuwarden, the capital of Friesland/Fryslân.

### **Good to know:**

Your “sailing hotel, restaurant and bar”, the [Leafde Fan Fryslân](#), is the largest and most luxurious 4-masted inland waterways sailing ship with 20 cabins for max. 38 passengers and a highly enthusiastic crew. For this tour you may opt to share a cabin (with someone you know and/or person of same gender) or to request a (smaller) cabin for single use: please notify when applying.

You may opt to leave the tour already on Thu. after breakfast and hop on the train (30 min.) to Leeuwarden, but you may also stay until Fri. morning. Leeuwarden has intercity train connection to Amsterdam and Schiphol Airport (a bit more than 2 hours, departures every 30 min.)

### **Bikes:**

Granville e-bikes in 4 sizes. Please provide your body height for correct frame size! Using your own bike is possible.
